

Gender Screening Questionnaire:

Construction and Real Estate

This questionnaire is to be completed by investees and/or clients during the screening stage of the deal process to enable potential investors to better understand the current level of gender diversity and inclusion, initiatives to support women entrepreneurs, and efforts to serve female users and customers. Some of the questions are derived from the 2X Challenge.

CDC is a founding member of the 2X Challenge, a DFI initiative to mobilise \$3 billion by 2020 for investment in business activities that benefit women. To qualify, investments must meet the criteria for female entrepreneurship, leadership, employment or consumption. More details on the 2X Challenge can be found on 2xchallenge.org
